CLASS WILL

We the seniors of 1953 do hereby leave this last will and testament. Subscribed and sworn at by us this first day of May. Being of sound mind and health we leave to the Junior Class our urstwhile ability to think clearly at all times and our seats in assenbly; also our hopes for a successful annual.

To the sophmores we leave our outstanding abilities in the field of sports.

And to the lowly freshmen we leave the hopes of someday attaining our lofty position of knowledge and social standing.

And to the teachers we leave.....PERIOD.

Our individual wills are as follows:

Jimmie wills his ability to get along with teachers to Wesley.
Ronald wills his orneriness to Mr. Poffenberger.
Margaret wills her ability to be a good mother-in-law to Joyce.
Donna wills her ability to collect diamonds to George Ward.
John wills his ability to hate school but still work hard at it to Harold Krusemark.
Kenneth wills his ability to pick up new girls to Keith and Karl.
Betty wills her love for Wayne to Lola.
The senior girls leave their quiet irresistable ways to Mr. Poffenberger.
To Mrs. Rogers we leave our undone English books.
To Mr. Butin we leave a very quiet assembly.
And to Mr. Steddom we leave our love and music and hope that he will have the ability to promote loveing and learning in his daily life as he does in his musical career.

Undergrads
